

for **RACE** Change

Children helping children can make a real change. Join the **Race for Change** when your VBS children show God's love by praying, giving, and connecting. Whatever your VBS theme, make Baptist Children's Homes the mission.

Pray for BCH's children. Pray that God brings healing through BCH's cottage parents who daily provide loving care. Pray for BCH's foster families who respond to God's calling by opening their homes to foster children. Pray that BCH's children will ask Jesus to be their Savior.

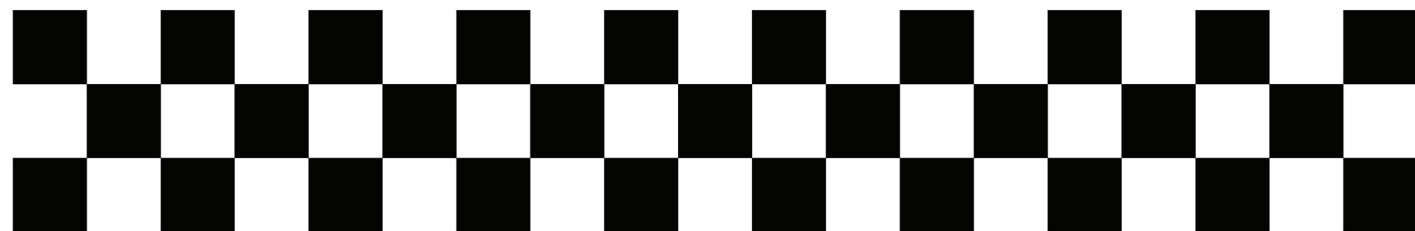

Give your VBS mission offering and help BCH minister to thousands of children. Your Race for Change would not be complete without a fun Penny or Quarter Race. Collect a **Mile of Pennies** or see

who can collect the most **Quarts of Quarters**. Adding fun incentives can boost involvement. Children can compete for prizes. VBS leaders/church staff can take a pie in the face or get slimed when a goal is reached.

Connect by inviting a BCH speaker to share about the ministry by calling **336-474-1209**. Go to bchfamily.org/VBS to learn more about BCH through an enlightening information sheet. Download a children's activity sheet and a short video for your mission emphasis.

Children do amazing things when they are asked to help other children. Make North Carolina's hurting boys and girls your mission by adding Race for Change and pray, give, and connect.

**Whatever the theme,
make BCH the mission!**

SHARING HOPE...CHANGING LIVES
