

## THE 7TH ANNUAL RIDE TO CLYDE ITINERARY

The 7th Annual **Ride to Clyde** benefiting **Baptist Children's Homes of North Carolina (BCH)** will take place Wednesday May 4th through Saturday May 7th, 2022. Participants may register by visiting [www.bit.ly/rgrtc](http://www.bit.ly/rgrtc)

The Annual **Ride to Clyde** allows motorcyclists to visit individuals in care of BCH in order to encourage them with the love of Jesus Christ. In previous years, these visits have allowed participants to interact with children and adults in care, hear testimonies of the life-changing power of the Gospel, and learn more about the important role BCH plays in the lives of families across North Carolina. In addition, participants enjoy riding across North Carolina from the coast to the mountains enjoying the scenic byways of our state.

Participants enjoy the ride in small groups, typically 5-10 motorcycles. This allows participants to ride the routes at their own pace, make fuel and rest stops as needed, with the flexibility to change their route in necessary – but with the expectation of arriving at the next location on time. The only parade route is the final run leading to the BCH's Broyhill Home location in Clyde on Saturday morning.

### NEW: TWO ROUTE OPTIONS

We have added a new option for riders participating in the 7th Annual Ride to Clyde as riders may choose to begin their trip in the East, beginning at Fort Caswell on Oak Island, NC, or in the West, beginning at Truett Camp and Conference Center in Hayesville, NC.

The tentative schedule for the 7th Annual Ride to Clyde is found below. Please note that this schedule may change based on restrictions related to the ongoing COVID-19 pandemic.
