Register to get ready

Preregistering is highly encouraged and appreciated for this one day mission blitz. Each individual participant must register using the link below. If a minor is attending with his/her parent, he/she may be included on the parent's registration. Additional opportunities will be added leading up to the event. Check back frequently to find your spot to serve at Friends of Children.

Serve as a group

If you would like to reserve spots for a group to serve together, a group reservation may be made by contacting Kristyn Butts, Director of Volunteer Engagement, or by visiting the website below and completing the reservation form. A reservation only saves spots for your group. A special link will be provided to the group leader, and each member of the group will need to claim their spot.
