## IS YOUR PLACE

If you are a college student with little to no family support, HOMEBASE is here for you! Through the outreach center, you can access resources and the support of a caring community of people you can count on. You are not alone!

*"It's our mission to provide the support these students need to succeed."*

Jim Dean  
HOMEBASE Director

**HOMEBASE** is for students who have aged out of foster care and/or residential services, are orphaned, homeless, emancipated or have little to no support. Ultimately, HOMEBASE is open to all students — *no one is turned away.*

**HOMEBASE OFFERS** a safe place where students can relax between classes or at the end of the day. It's a place to build community with others or find the support needed to tackle both college and life.

**AT HOMEBASE YOU CAN. . .**

- Take a break between classes or hangout from commuting.
- Relax and watch TV.
- Access the center's WiFi.
- Use the computer lab and printer.
- Wash clothes in the laundry room.
- Pick out an outfit in the clothes closet.
- Eat from the food pantry.

HOMEBASE is open 8 AM to 10 PM daily.  
Our friendly staff is available to support you.
