

Intellectual & Developmental D I S A B I L I T I E S

Baptist Children's Homes of North Carolina (BCH) provides residential services to adults with intellectual and developmental disabilities (IDD) in locations across North Carolina.

Our IDD program supports special needs adults in pursuing

their individual goals and dreams while providing the supports necessary for them to live in a safe, supportive Christian environment. We promote

and support maximum independence, individual growth, and inclusion in the community.

IDD Facilities:

- Winston-Salem
- Marshville
- Zionville
- Asheville
- Asheboro
- Sanford

Residential Care Rates:

Applicants must be eligible for Social Security, Special Assistance, Medicaid and/or state funding sources if not paying privately. Rates will be the current approved domiciliary care rate.

Application Process: IDD homes are single gender, six bed homes and are alcohol and smoke free environments. We believe that a home should be a safe place where people can relax and feel comfortable. We consider not only the best interests of the applicant in our admission decisions but also the best interests of the other individuals in the home, as well as, the promotion of healthy and positive relationships

between housemates.

Admission is offered only to individuals whose needs can be adequately met in our group home setting.

To receive an application, contact the IDD administration office at **336-474-1245** or
