 SHARING HOPE...CHANGING LIVES
Baptist Children's Homes
of NORTH CAROLINA

JAMIE IS WHY YOUR GIFT MATTERS.

Nine-year-old Jamie had lived in a house that had no electricity or running water. Her first day living at Baptist Children's Homes (BCH) she asked her cottage parents, "Do you have a washing machine? Can I wash my clothes everyday?"

Her cottage mother saw the tears in Jamie's eyes. "I only have one outfit good enough for school," Jamie shared. "I need to wash them so they're clean."

Jamie's cottage mother dried her tears and assured her that not only did the cottage have a washing machine but she would receive new clothes at BCH.

Jamie is the reason your gift matters. Most boys and girls BCH serves are among the approximately 17,000 children in the NC foster care system. **These boys and girls, like Jamie, have been removed from their family homes for their safety. They often come to BCH with only the torn, dirty clothes on their backs.**

You share hope by using this year's gift catalog.

This is your opportunity to provide children, single mothers, special needs adults and all those BCH serves with necessities and opportunities they've never had before! **You are Christ's hands and feet in action.** This gift of love means so much to every life we are privileged to serve.

Please take time to find a need you would like to meet and help change a life today.
