

Our Mission

To provide **"help for the journey"** to seniors 65+ in ways that help maintain independence and quality of life.

How We Serve

In addition to referring callers to community resources, our **Call Center** connects the frail aging with church volunteers who share God's love by meeting needs for wheelchair ramps, grab bars, smoke alarms, light yard work, and friendly visits. **Call Center Specialists** are privileged to pray with callers.

Partnerships

NCBAM values its alliances with non-profits, the private sector, and government agencies. However, the key to NCBAM's impact is found in its partnerships with **Baptist churches** and their volunteers across North Carolina.

Aging Adults Innovating Ministry (AAIM)

NCBAM's leadership network **provides annual conferences and support** for senior adult ministers and lay leaders.

Wise Up Enrichment Workshops

NCBAM team members **offer more than 40 basic classes and evidence-based programs** to senior adult ministries.

Rampin' Up!

NCBAM partners with Baptist churches to provide wheelchair ramps. **Rampin' Up**, held biennially in conjunction with Operation Inasmuch, brings attention to the accessibility needs of seniors.

Priority #1: Prevention

Twelve innovative prevention programs help seniors stay on their feet and in their homes!

Christ the Cornerstone Publications

Our brochures, Bible studies, and devotionals help meet the spiritual needs of older adults— **a mission at the heart of NCBAM.**

Servant Care

We provide **ongoing needs assessments** and **priority access** to NCBAM services for NC Baptist ministers (65+), their spouses or surviving spouses.

The NCBAM Care Village in Kinston provides **geriatric management services to members**—

allowing them to age in place in their own homes.

A spiritual response
to isolation & loneliness

NCBAM's **One Hope workshop** helps churches plan, implement, and maintain their own One Hope ministry to isolated and lonely seniors in their communities. One Hope community volunteers and Hope Line volunteers receive specialized training and support.

Individuals 65+ can phone the **NCBAM Hope Line** to speak with a volunteer who will actively listen and encourage them.

The **Hope Line Friendly Call Service** places regular outbound calls to isolated seniors at the request of individuals, family members, or caregivers. Bilingual services are available.

Rise in the
presence of the
aged, show
respect for the
elderly and **revere**
your **God**.
I am the LORD.
