Go the Extra Mile! Collecting a MILE of PENNIES is a fun way VBS and Sunday School kids can make a difference in the lives of boys and girls living at Baptist Children’s Homes. In fact, it’s a great way ALL AGES can help provide food, clothing and caring Christian homes to hurting NC children. Laid edge to edge, a Mile of Pennies totals $844.40, but you can set ANY goal. **Fun ideas:** You can make it a contest between your boys and girls to see who can raise the most. You can use a scale to weigh amounts. You can organize a penny rolling party. You can use the labels below (or download labels at [www.bchkids.org](http://www.bchkids.org)) and attach them to soda cans, jars, buckets – whatever you choose to collect the change. And brag on your kids or your church; take a photo of them with their collection and email it to jbragsdale@bchfamily.org so we can share how God is using your church to make a difference! **Once completed, please check with your bank to find out how they prefer to accept your collection and mail a check to Baptist Children’s Homes, P.O. Box 338, Thomasville, NC 27361.**

Your pocket change “changes” children’s lives!

**MILE of PENNIES**

Every penny counts! One penny may not seem like much, but when you add them all up the results are BIG! Imagine how many NC boys & girls living at Baptist Children’s Homes you can help by giving your pennies, change and dollars. Together, all of those coins provides them with food, clothing and safe, caring homes. **Thank you for making a difference!**
